BOLAND CELLAR
SAUVIGNON BLANC 2014
SOUTH AFRICA

TASTING NOTES

Produced in a cool coastal region just north of Cape Town this has an elegant light green tint with whiffs of kiwi and passion-fruit on the nose. Ripe guava and tropical fruit flavours add richness and depth of flavour in the mouth, while extended lees contact results in a fresh and elegant wine.

"Classic Sauvignon Blanc, flavours green apple skins, lemon zest and gooseberries. The very definition of Sauvignon Blanc."
